When you are looking for the right career opportunity or when the success of your project depends on having the right people at the right time, you'll need a company that you can count on to make it happen. If you are searching for that kind of company, take a close look at Jerry Pittman and Associates, Inc.

Since 1982 we have excelled in the contract employment industry because we value our clients and our employees. Since its inception, Jerry Pittman and Associates, Inc., a small, veteran owned company, has specialized in providing qualified personnel for positions in management, technical, engineering, design and drafting. We have expanded by providing clerical personnel, paint inspectors, production supervisors, owner reps, planner/schedulers and various personnel for which our clients have needs.

Our screening process allows us to select only the best available candidates for any given position that we are attempting to fill. A sampling of the positions that we fill in these industries include, but are not limited to:

Engineers / Designers / Draftsmen / CAD Designers / Project Engineers / Management / Administrative Assistants / Clerical / Owners Representatives / Paint Inspectors / Production Supervisors / Planner-Schedulers

Our clientele and active employees are constantly expanding. We have over 40 active clients who call on us to fill their current and upcoming openings. Our reputation for **prompt, reliable, professional** service is second to none.
